Nominations and Elections

Sec. 8. (a) At least six months prior to the regular meeting of the Association the Executive Board shall appoint a committee of five, no one of whom shall be a member of the Board, to nominate candidates for elective positions to be filled. No person shall be nominated unless his consent to such nomination be previously obtained. The Board shall also appoint a committee on election which shall have charge of the counting and tabulation of all votes cast at the regular election.

(b) The report of the nominating committee shall be published in the Bulletin at least three months prior to the regular meeting of the Association, and shall place such nominations before the Association on a printed ballot which shall be known as the "Official Ballot." The nominating committee shall also include on such ballot other nominations filed with the secretary by any fifteen members of the Association at least two months before the regular meeting, provided written consent of these nominees be filed with such nominations.

(c) At least six weeks prior to the regular meeting, the secretary shall mail a copy of the ballot to each of the members of the Association. Ballots shall be marked and returned to the secretary in sealed envelopes bearing on the outside the name and address of the member voting, together with the words "Official Ballot."

(d) The secretary shall check on a list of members the names of all members whose votes are received. Election shall be held at the regular meeting, at which ballots (each enclosed in an envelope, sealed and bearing the name and address of the member voting), may be cast by any members in attendance whose ballots by mail have not already been received and checked. The candidate receiving the largest number of votes shall be elected. In case of a tie vote the successful candidate shall be determined by lot.

(e) The position and residence of each nominee shall be given on the Official Ballot.

State Representation in Council

Sec. 9. Each state, provincial, territorial association (or any association covering two or more such geographical divisions not having separate associations) which shall, according to the provisions of the by-laws of the Association, become a chapter of the A. L. A. shall be entitled to one delegate in the A. L. A. Council.

Delegates shall be elected at meetings of the chapters, by the members of the chapter, to become members of the Council to serve until the next election of officers of the Association. Terms of delegates shall be coextensive with the term of the president of the Association.

Delegates before exercising the privileges of membership in the Council shall file with the secretary of the Association satisfactory credentials of qualification.

Sec. 10. There shall be at least two meetings of the Council annually.

Chapters

Sec. 11. State, territorial or regional chapters of the American Library Association may be established by the Council at the written request of ten members of the A. L. A. residing in the territory within which the chapter is desired.

Chapters may adopt their own constitution and by-laws if they are harmonious with the Constitution and By-Laws of the A. L. A.

Chapters may admit members who are not members of the A. L. A.

A member of the A. L. A. who is also a member of more than one state or territorial chapter shall be accredited only to the chapter in the state in which he resides.

Local chapters may be authorized by the Council but such chapters shall not have representation in the Council.

Chapters may be dissolved by the Council for good and sufficient reasons, and

shall be dissolved if the chapter becomes inactive or the membership becomes less than the required minimum.

Sections

Sec. 12. Petitions for the establishment of sections shall be presented only by members actively engaged in the work of the proposed section and by not less than twenty-five such members. Before such a petition be granted by the Council, it shall be referred to a special committee, to be appointed by the president, which shall investigate and report to the Council as to the desirability of such section. The Council shall have power to discontinue a section when in the opinion of the Council, the usefulness of that section has ceased.

Sec. 13. Sections may, if they so elect, charge annual dues, limit their own membership, issue publications, and in general carry on activities along the line of their own interest, accounting for their own funds solely to their own members.

Sec. 14. No authority is granted any section to incur expense on behalf of the Association or to commit the Association as such by any declaration of policy.

Sec. 15. Provision shall be made by the Executive Board for sessions of the various sections at regular meetings of the Association, and the programs for the same shall be prepared by the officers of sections in consultation with the program committee. Sessions of sections shall be open to any member of the Association but no person may vote in any section unless registered as a member of the same. The registered members of each section shall, at the final session of each annual meeting, choose officers to serve until the close of the next annual meeting.

Sec. 16. There shall be a standing committee of the Council consisting of four members, the chairman of which shall be the president of the Association, one member to be appointed each year by the president of the Association to serve for three years. The committee shall prepare outlines of matters for discussion at Council meetings, and shall mail them to the Council in advance of the meetings.

Publications

Sec. 17. The Executive Board shall administer all publishing activities of the Association. It shall appoint annually an editorial committee of five members of the Association, who are not employees thereof, to advise upon material for publication. The members thereof shall serve until their successors are appointed. The Executive Board shall make an annual report to the Association on its publishing activities.

Committees

Sec. 18. There shall be a committee on committees, which after conference with the president, shall recommend to the Executive Board the appointment or discontinuance of such committees, other than those provided by the Constitution and By-Laws, as the needs of the Association may require. The Committee on Committees shall define the duties of all committees so to be appointed. All committees shall be appointed annually and their members shall hold office until their successors are qualified or the committee is discontinued.

Committees created by the Council or by its presiding officer upon the request of the Council are limited as to functions to consideration of or assistance in the business of the Council.

Sec. 19. The Executive Board shall at each annual meeting of the Association appoint a committee of three on resolutions, which shall prepare and report to the Association suitable resolutions.

Votes by Correspondence

Sec. 20. Approval in writing by a majority of a board or committee shall have the force of a vote, provided not more than one member expresses dissent. If one member dissents, the vote shall not be effective until such member has had opportunity to communicate his views to the other members, and a second vote has been taken. If two members on the sec-

ond mail vote dissent, the action shall fail.

Privileges of Membership

Sec. 21. The privileges and advantages of the A. L. A. conferences shall be available only to those holding personal membership or representing institutional membership in the Association or to members of affiliated societies.

Regional Meetings

Sec. 22. The Executive Board may arrange for regional meetings to include such chapters or library associations as it sees fit to group.

ENDOWMENT FUNDS

Following the meeting of 1890 and through the efforts of the Trustees Section to collect a permanent fund "for publishing the proceedings of the association," the Endowment Fund (see sec. 25 of Constitution) was established. It amounted to $30,667.80 January 1, 1922.

The Carnegie Endowment Fund was created in 1902 by a gift of $100,000 from Andrew Carnegie. The income is used "for the preparation and publication of reading lists, indexes and other bibliographical aids" which are thought to be "specially useful in the circulating libraries."

The James L. Whitney Fund amounted to $664.21 January 1, 1922. It is being increased slowly by the terms of the will and the interest is being added to the principal. It is hoped that the fund may increase so that it will eventually yield an income which will be of some slight assistance in the preparation of bibliographical aids for research workers.

Special mention should be made of the benefactions of George Iles in financing several publications which the Association would not have been able to have published without such financial aid.

Full information as to the investment and condition of these funds will be found in the reports of the Trustees as printed each year.

SECTIONS OF THE ASSOCIATION

By means of a system of sections the practical usefulness of the A. L. A. meetings has been considerably enlarged. The section meetings, while open to all, provide especially for the needs of each class of workers, and afford more opportunity for the discussion of details. The general, or undivided, sessions are thus left free for subjects of general interest and the consideration of routine matter concerning the entire association.

Eight of these sections maintain a formal organization from year to year, and take under consideration questions relating more particularly to their own province. They are as follows:

COLLEGE AND REFERENCE SECTION

which dates from a first meeting of the college librarians held in 1889. Since then, meetings have been held regularly.

The members of the committee on arrangements are: Chairman, W. E. Henry, University of Washington Library, Seattle (term expires 1923); E. D. Tweedell, The John Crerar Library, Chicago, Ill., (term expires 1924); Willard Austen, Cornell University Library, Ithaca, N. Y., (term expires 1925).

TRUSTEES SECTION

has had a permanent organization since the meeting of 1890.

More boards of trustees are each year recognizing the practical value of having their librarians attend the meetings allowing them not only the time, but also necessary expenses in many cases. Equally significant is the increasing number of trustees who find that it pays to attend the A. L. A. meetings each year. By comparing views, and advising with each other on their peculiar duties, mutual aid is rendered toward the efficient discharge of the public trust committed to them. Some of the meetings of trustees are held jointly with the librarians interested in supervisory problems; others with trustees only present; thus favoring the joint and separate discussion of salaries, laws, vacations, rules for the staff, and other questions in which librarians have a personal interest that modifies their judgment.

Officers for 1922-23 are: President, Mrs. Elizabeth Claypool Earl, Muncie, Ind.; vice-president, W. L. Jenks, Port Huron, Mich.; secretary, Mrs. Dwight Peterson, 14 The Lincoln Apartment, Toledo, Ohio.

CATALOG SECTION

was established by action of the Council in 1900 and has met at each conference since the Waukesha meeting in 1901, excepting at St. Louis in 1904, when no section meetings were held.

At the Mackinac Island conference (1910) the Catalog Section completed its organization by the adoption of a constitution and by-laws.

Officers for 1922-23 are: Chairman, Helen B. Sutliff, Stanford University Library, Stanford University, Calif.; secretary, Ruth Wallace, Public Library, Indianapolis, Ind.

CHILDREN'S LIBRARIANS SECTION

At the Montreal conference in 1900 an informal meeting was held for the purpose of personal acquaintance and co-operation among those actively engaged in library work with children. As a result of this meeting the Club of Children's Librarians was formed, and, in recognition of this movement for closer organization and wider discussion in this field than was afforded at the general sessions of the A. L. A., the Executive Board, in November, 1900, established this section, which held its first meeting at Waukesha in 1901.

Officers for 1922-23 are: Chairman, Elva S. Smith, Carnegie Library, Pittsburgh, Pa.; vice-chairman, Della McGregor, Public Library, St. Paul, Minn.; secretary, Avis Meigs, Edison Junior High School Library, Long Beach, Calif.; treasurer, Grace L. Aldrich, Public Library, Madison, Wis.

PROFESSIONAL TRAINING SECTION

This section was established by vote of the Council of A. L. A. on June 26, 1909, upon petition signed by the members of the Committee on Library Training. Its first meeting was held at the Bretton Woods conference and its second meeting took place at the Mackinac Island conference, when constitution and by-laws were adopted.

Officers for 1922-23 are: Chairman, Elva L. Bascom, School of Library Science, University of Texas, Austin, Tex.; vice-chairman, Marie Newberry, Public Library, Toledo, Ohio; secretary, Blanche Watts, 475 West 7th, Spencer, Iowa.

AGRICULTURAL LIBRARIES SECTION

At the Mackinac Island conference a round table of librarians of agricultural libraries was held, at which it was voted to request the Council of the A. L. A. to create an agricultural libraries section. Conditions having been complied with, this was done at the Pasadena conference in 1911.

Officers for 1922-23 are: Chairman, H. O. Severance, University of Missouri Library, Columbia; secretary, Mary G. Lacy, Bureau of Agricultural Economics, U. S. Department of Agriculture, Washington, D. C.

SCHOOL LIBRARIES SECTION

At the 1914 conference the high and normal school librarians, then holding round table meetings, made a formal petition to the Council that a section for school libraries be established. The Council in January, 1915, authorized the organization of the section, and the first meeting was held at the Berkeley conference.

The School Libraries Section seeks to serve as a clearing house for professional information regarding libraries in elementary, secondary and normal schools, and to compile a directory of school librarians. Its purpose is to discuss methods, formulate policies, establish standards and maintain relations with the Library Department of the N. E. A. and other educational organizations.

Officers for 1922-23 are: Chairman, Harriet A. Wood, Minn. Department of Education, St. Paul, Minn.; vice-chairman, Susie Lee Crumley, Library School, Carnegie Library, Atlanta, Ga.; secretary-treasurer, Marion Lovis, Hutchins Intermediate School, Detroit, Mich.; normal school representative, Helen Ganser, State Normal School Library, Millersville, Pa.; high school representative, Mary Davis, Public Library, Brookline, Mass.; elementary school representative, Janet Jerome, Public Library, Denver, Colo.

LENDING SECTION

This section held its first meeting as a section June 5, 1920.

Officers for 1922-23 are: Chairman, Bess McCrea, Library of Hawaii, Honolulu, T. H. (Miss McCrea has taken a position in Hawaii and has asked to be excused from the chairmanship; the vice-chairman will act in her stead); vice-chairman, Marie L. Fisher, Lawrenceville Branch Carnegie Library, Pittsburgh, Pa.; secretary-treasurer, Ruth M. Barker, Cossitt Library, Memphis, Tenn.

AFFILIATED NATIONAL ORGANIZATIONS

Acting under Section 16 of the Constitution and upon applications formally made by the proper officers, the Council has regularly affiliated with the American Library Association the following national organizations of kindred purpose. These societies meet annually, usually at the time and place of meeting of the A. L. A. Their members enjoy all privileges of members of the larger body as to railroad and hotel rates and conference hospitalities. Their proceedings are included in the A. L. A. conference volume and they are often formally represented by designated delegates upon the program of the Association.
